I, Dale Boothroyd, having been first duly sworn, do hereby depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I make this affidavit in support of an application for a criminal complaint and arrest warrant pursuant to Federal Rules of Criminal Procedure 3 and 4. As explained more fully below, I have probable cause to believe that SHEARN TYRON JOSHUA has committed the following federal criminal offenses:

Possession of Methamphetamine with Intent to Distribute in violation of 21 U.S.C. § 841(a)(1) and (b)(1)(A); On or about February 18, 2021, SHEARN TYRONE JOSHUA knowingly and intentionally possessed a controlled substance with intent to distribute, to wit: 50 grams or more of pure methamphetamine.

2. The statements in this affidavit are based in part on information provided to me by other law enforcement officers, police reports, my own investigation of this matter, and my training and experience. Since this affidavit is being submitted for the limited purpose of establishing probable cause to support a complaint and securing an arrest warrant, I have not included each and every fact known to me concerning this investigation.

3. I have been employed as a Task Force Officer with the Drug Enforcement Administration since October of 2018. Prior to my assignment with the Drug Enforcement Administration, I was assigned to the Statewide Drug Enforcement Unit with the Alaska State Troopers from April 2018 to September 2018. Prior to my assignment with AST, I was assigned to uniformed patrol with the Anchorage International Airport Police/Fire Department for six years. Thus, in total I have approximately 9 years of law enforcement experience.

5. During the course of my employment as a Law Enforcement Officer, I have gained experience in conducting drug investigations and have received the benefit of many years of such experience of fellow agents, investigators and officers.

6. During the course of my employment with these three agencies, I have worked in an undercover capacity and conducted investigations of controlled substances violations in conjunction with agents, investigators and officers from other jurisdictions. I have also worked with and conducted investigations utilizing confidential sources. I have also conducted or assisted in investigations which have led to the arrest and conviction of persons for violations dealing with the sale, possession and/or manufacture of controlled substances, and the seizure and forfeiture of assets. As part of these investigations, I have

FACTS ESTABLISHING PROBABLE CAUSE

8. On February 18, 2021, approximately 1145 hours, agents established surveillance at 3220 Eastgate Place, Anchorage, AK 99504 as part of a narcotics trafficking operation.

9. At approximately 1216 hours, agents observed a male later identified as JOSHUA, leave the residence in a vehicle with license plate JHJ359, which is registered to him. Agents followed JOSHUA until he returned to the residence at approximately 1239 hours.

10. Based on the results of the investigation discussed in paragraph 8, I applied for and

obtained federal search warrant 3:21-mj-00086-MMS for the premises of the Eastgate Place residence. Law enforcement maintained surveillance on that address in order to ensure that evidence was not compromised before the warrant could be obtained and executed.

11. At approximately 2000 hours, agents observed JOSHUA loading multiple items from 3220 Eastgate Place into his Porsche bearing AK plate JHJ359. JOSHUA then left the residence and was stopped by agents and Alaska State Troopers at the Chevron Gas station at 2801 Boniface Parkway.

12. A search of JOSHUA's vehicle revealed approximately 4.5 pounds of methamphetamine, which was a white crystalline substance from my training and experience is consistent with methamphetamine, a handgun, and a safe which contained approximately \$20,000 in U.S. currency.

13. Execution of the search warrant on the target premises revealed approximately 286 grams of suspected cocaine, which was a white powdery substance, from my training and experience is consistent with cocaine, 498.1 grams of methamphetamine which was a white crystalline substance from my training and experience is consistent with methamphetamine, (3) handguns, (1) stolen AR-15 rifle, a suspected short barrel shotgun, body armor and numerous firearms magazines. The drugs seized were sent to the DEA laboratory for analysis.

14. Based upon by training and experience, 4.5 pounds of methamphetamine would have a street value of at least \$70,000. This quantity is consistent with possession for further distribution, and inconsistent with possession for personal use.

CONCLUSION

15. I have probable cause to believe that JOSHUA has committed the offense described in the complaint. Accordingly, I ask the court to issue a warrant for JOSHUA's arrest in accordance with Federal Rule of Criminal Procedure 4(a).
